(not budgeted - \$2,320,000; Town to be reimbursed \$1,160,000 by FDOT)

REPORT IN BRIEF: The FDOT County Incentive Grant Program is a State funded program that provides grants for projects that improve State Highway transportation facilities or relieves congestion on the State Highway system.

This grant proposal would utilize CIGP funds to widen College Avenue from State Road 84 to Nova Drive, which will alleviate traffic on State Road 84 and University Drive (State Road 817). These improvements have been recommended in the RAC master plan and draft local road master plan. The grant requires a 50/50 match. The Town is requesting \$1,160,000 from the CIGP and will supply a \$1,160,000 match. The Town's match will come from revenues received from the FAU campus agreement. The Town Council will consider the FAU agreement later this year.
